

Elite Combo and Nationwide Combined.

It was great to see Nationwide punters win \$1,000 on Saturday.

Saturday's betting provided a perfect example of the power of combining the Elite Combo bets and Nationwide Best bets.

Elite Combo took its first loss of the year but Nationwide came to the rescue.

In many recent newsletters we have followed the live as-listed (ie from Sept 26th, 2025) performance of the Nationwide and Elite Combo plans.

A Platinum membership is required for this, but it is well worth the extra \$18 per week.

Two options for betting on both lists were explained in detail. Pretty simple:

Option 1:

Bet ALL qualifiers from both plans with the amount as listed (adjusted to suit your bank of course). If a horse is listed on both raceday bet lists, bet both amounts.

Option 2 (Recommended):

Bet ALL qualifiers from both plans with the amount as listed (adjusted to suit your bank of course).

If a horse is selected by both plans, back it only once (bet the higher of the two as listed amounts).

Here is the updated 'live' period (Sept to Jan) for:

1: Betting ALL Qualifiers from both plans.

Elite Combo Current Algo					Nationwide Current Combo				Bet ALL qualifiers from Nat and E-Combo
